

Class 10/11A - Summer Term Curriculum Overview

This term pupils will be staying with their class teachers who will deliver a variety of subjects and topics as part of our *Recovery Curriculum*.

Subject	Topic
Literacy	Students will engage in TEACCH functional literacy activities which are designed to encourage independence. The activities will correspond to student's individual outcomes.
Numeracy	Students will engage in TEACCH functional Numeracy activities which are designed to encourage independence and recall previous knowledge and build on it. Activities will correspond to student's individual outcomes. Areas covered will include: statistics, number recognition, number bonds of 10 to 30 and money.
Art and Craft	Students will complete art activities that reinforce knowledge gained in other areas of the curriculum. Activities will include painting, collage and making a classroom display.
Life skills	Students will continue to learn about the importance of hygiene in this difficult time. Lessons will focus on self-care skills such as Handwashing and strategies on how to prevent the spread of germs.
Social Communication	Students will continue to use Social Communication skills in the context of running a café. This includes taking orders, following scripts, relaying information to co-workers and following written, visually illustrated instructions to prepare food and drink.
PE	The class engage in a range of fitness activities with Raph, the school's Sports Coach. Students will focus on their individual targets.
Drama	Drama developing team skills, personal confidence and communication through drama activities.
Computing	Students will learn to type on a keyboard, use Microsoft Word to open, edit and save documents; open emails and extract information from them.
