

# Weekly Newsletter

Dear parents and carers,

It was good to return onsite after the half term break. We've had a quiet week here: lateral flow testing for pupils took place on Monday and again today. Almost all pupils onsite were tested. Families offsite will have received a letter re lateral flow testing by email this week. We do need this returned to us asap.

We're looking forward to World Book Day next week on Thursday 4<sup>th</sup> March. Though most young people remain at home we hope that you will all take part in the day. There will be lots of resources available on our website. It's still not too late to send in a recording of a reading/ poem. Please send to Nick: [nclark@highshore.southwark.sch.uk](mailto:nclark@highshore.southwark.sch.uk)

Following the Prime Minister's announcement on Monday we are planning a return to school for all pupils. This will need to be phased to enable us to complete lateral flow tests. We will share more detail and our schedule with you by letter and a Senior Leader will call you with the date of your son/ daughter's return. If any parents have concerns about their son/ daughter returning please speak with a member of the Senior Leadership Team.

Please continue to follow Government guidance to keep all of us as safe as possible,

Eileen

## Friendship Tree

Please keep sending in your handprint design for the Highshore Friendship Tree

The email address to send them to is

[HighshoreHandprint@outlook.com](mailto:HighshoreHandprint@outlook.com)

Mental Health Learning Disability teams across Lambeth, Southwark, Lewisham, and Croydon Presents...

# Family Carers Event

An online event to support people caring for a loved one with Learning Disabilities and Behaviour that challenges.

(Behaviour is challenging if it causes harm to the person themselves, others, or property, or if it stops people fulfilling some aspect of their lives (scope.org.uk))

**SAVE THE DATE!**  
**10TH MARCH 2021**  
**10.30 AM TO 1 PM**

**ONLINE LOG IN AND  
DETAILS TO FOLLOW**

Any questions, email:  
amelia.Ralph-Lewis@slam.nhs.uk  
annette.hodge@slam.nhs.uk

*Come along and learn how to:*

- Reduce the impact of these behaviours*
- Explore ways to help you look after yourself*
- Connect and share with other family carers*
