

Dear parents and carers,

It has been good to welcome pupils back onsite after the holiday. We've had very good attendance this week. Pupils have settled in well. The weather has enabled us to make as much use of the playground as possible.

Our arrangements remain the same as last term. Pupils continue to be taught by their class teacher and in their bubbles. We continue to follow Government guidance and will make any changes to our arrangements as the guidance allows. This half term we usually have our London day. We will instead enjoy a virtual London day. You will receive more details soon.

Our parents group is meeting on Monday at 11am. Please contact Don Burford or your class rep if you would like to join the zoom meeting. Nick Clark will give the meeting an update on lateral flow testing at home and will answer any questions you may have. On Monday evening we are holding our destinations event for parents of year 12 & year 13 pupils. Representatives from local colleges, Orchard Hill and Roots and Shoots will be on hand to talk about what they offer for post 19 students. Do register if you haven't done so already.

We welcomed our year 6 pupils onsite on 1st April and had a very enjoyable day with them. We're looking forward to more visits after half term.

We're looking forward to the term ahead, for our leavers it's their last term here at Highshore. For all pupils we want this to be a happy, healthy and enriching term. Thank you for your support.

Please continue to follow Government guidance outside of school to support our safety onsite.

Eileen
