

Weekly Newsletter

Dear parents and carers,

We're cautiously opening up here at Highshore. After half term we will in a small way re start after school clubs. There will be clubs three evenings a week and each Key Stage will have the opportunity to attend clubs on one evening each week. We will run this way until the end of term and will the re assess our offer. Mike Barrett will be in contact next week regarding the clubs timetable.

We're grateful to the National Youth Theatre for the two youth inclusion practitioners they've placed with us at Highshore. Becca & Ozi are supporting Jeff, our Drama teacher. This week Kathy and 12K visited the South London Gallery. The gallery was closed to the public and the pupils had a very enriching morning there.

Our parent group met on Monday morning and gave suggestions for the parents section of our school library. The Amazon wish list is still open at

<http://highshoreschool.co.uk/library/>

If you know anyone who might like to donate a book to Highshore please pass on the link! The group also discussed pupil safety online and when using mobile 'phones. Parents are hoping an external speaker will join a meeting to offer advice and support.

Monday 18th 4pm is our year 11 parents evening which will take place via zoom. If you have any questions about the evening please contact Dom Fryer in the school office.

We break up for half term next Friday 22nd October. Pupils finish school at the normal time.

Have a good weekend and stay safe,

Eileen
