

# 11L Summer Term 2022 Curriculum Overview

This term pupils will be studying the following topics in their curriculum.

<b>Subject</b>	<b>Topic</b>
Literacy	This term students will be preparing for Functional Skills exams – Reading., Writing and Speaking and Listening. We will be revisiting basic literacy skills- punctuation and grammar. Developing exam vocabulary. Practising exam skills through Functional Skills exam papers.
Maths	Power Maths Yr2 Spring/ Summer Unit Measurement: Area and Perimeter. Geometry: Angles, Shape and Symmetry. Statistics. All year 11L students will be working towards Entry Level Maths. Students able to participate will be tested at the end of June 2022. Please continue to support your child by revising Money and Time. Work is available on IXL Math.
Art	This term students will be exploring a graphics project to design a personalised CD cover. We will be researching and recording ideas, experimenting with art materials, mark making, typography, colour mixing, pattern, texture, collage mixed media and creating a paper CD and cover.
Citizenship	Citizenship carousel aims to give the students the knowledge, skills and understanding they need to lead confident, healthy and independent live, and to become informed, active and responsible citizens. Citizenship helps students develop as members of school, neighbourhoods and wider community.
Computing	In Computing this term we will have a basic introduction to coding using Espresso Education. Students will use block coding to build basic apps. We will then go on to using pixels to make images, and relating this to how images are made on a computer.
Drama	Students will be using drama and role play to enact scenes from the Star Wars film 'The Force Awakens'. Students will be working in small groups to create class performances using staging, lights and costume.
Enterprise	Students will continue their drinks service, expanding into cold drinks for the summer. They will have the opportunity to create recipes for drinks, survey staff opinions and cater school events. Students will gain experience in using card readers and handling money, and at the end of the year we will assess profit made and the successes of the whole year.
Humanities	Last term's theme was drawing inspiration from famous people who have overcome disabilities in order to achieve

# 11L Summer Term 2022 Curriculum Overview

This term pupils will be studying the following topics in their curriculum.

	<p>incredible feats. This term, we will be looking at famous scientists and inventors, male and female and from a range of backgrounds and ethnicity.</p>
Music	<p><b>Term 3 subject is 'Melody'</b>. Students have so far covered 'Rhythm and Beats' in term 1 and 'Chords and playing as a Group' in Term 2. This term, students will be concentrating on using individual notes to both improvise freely and learn structured famous tunes. They will use a combination of virtual electronic simulated instruments plugged into the class PA system as well as keyboards, guitars, xylophones and even a theremin (think of the Doctor Who theme song). They will also use a colour code system in order to begin reading music and follow structure.</p>
PE	<p>Students will continue to take part in using the fitness equipment, recording &amp; analysing, healthy eating and life style.</p> <p>Students will continue to learn about understanding the body and health basic knowledge – accurately locating and naming major organs, muscles and explaining in some detail how the body feels during/ reacts during exercise.</p> <p>They will continue with their Young Leaders Award, developing and leading PE sessions with their peers and analysing performances.</p>
PSHE	<p><b>Module-Health and wellbeing -Drugs, alcohol and tobacco</b></p> <p>Students will be developing their understanding and exploring the difference between legal and illegal drugs.</p> <p>They will be identifying some common legal drugs –nicotine and alcohol and show an awareness of what effects of alcohol on our body. Know what alcohol and harmful substances are. Show awareness of bad habits.</p> <p>Recognise that there are laws surrounding the use of legal drugs and that some drugs are illegal to own, use and give to others. Identify when, why and how to ask for help in relation to drugs and alcohol.</p>
Science	<p>Students will be continuing their Edexcel Entry level Science assignments and tests. The first topic will be learning about Forces, movement and energy. This is a Physics based topic and will involve lots of investigative experiments. Science recommends the BBC website. It is a great resource for learning about Science. Here is the web address <a href="http://www.bbc.co.uk/education">www.bbc.co.uk/education</a>. They can also go to <a href="http://www.educationcity.com">www.educationcity.com</a> for more homework tasks and learning.</p>

## 11L Summer Term 2022 Curriculum Overview

This term pupils will be studying the following topics in their curriculum.

Social Communication	This term's theme is showing empathy and understanding others' feelings. We will use our weekly discussion to encourage students to really listen to each other's stories and anecdotes then, in turn, relate their own similar experiences in response. We will also examine if students can decipher how individuals would have felt in each situation.
Swimming	The students will continue with their programme of swimming as last term. Students are working towards developing and refining stroke techniques over longer distances.
