

## 12V Summer Term 2022 Curriculum Overview

This term pupils will be studying the following topics in their curriculum.

<b>Subject</b>	<b>Topic</b>
Literacy	Continuing with WJEC Audio Visual Texts- exploring key scenes, character studies of the film Chicken Run. Then we will explore the film Bend it like Beckham.
Maths	Functional Measurement: Area and Perimeter. Geometry: Angles, Shape and Symmetry. Statistics.
Art	This term students will be exploring a graphics project to design a personalised CD cover. We will be researching and recording, experimenting with art materials, mark making, typography, colour mixing, pattern, texture, collage mixed media and creating a paper / card CD disc and cover.
Citizenship	Citizenship carousel aims to give the students the knowledge, skills and understanding they need to lead confident, healthy and independent live, and to become informed, active and responsible citizens. Citizenship helps students develop as members of school, neighbourhoods and wider community.
Computing	Students this term will be developing their learning and understanding of using communication (multi media) in a positive and safe way. They will be understanding the 'dangers' and 'pitfalls' of using multi-media in a negative way. In the second half term students will learn and develop their understanding of filling in forms using personal information through practice and role play.
Drama	Students will be using drama and role play to enact scenes from the Star Wars film 'The Force Awakens'. Students will be working in small groups to create class performances using staging, lights and costume
Employability	In Employability students will be developing skills needed to enter the work place. This will include a focus upon identifying their strengths and transferable skills which will help them secure a job and succeed in work. Pupils will learn about money and diversity in the work place. Students will build self-confidence when talking about their future career, to identify next steps for after school to achieve their chosen career.
Enterprise	Students will continue their drinks service, expanding into cold drinks for the summer. They will have the opportunity to create recipes for drinks, survey staff opinions and cater school events. Students will gain experience in using card

## 12V Summer Term 2022 Curriculum Overview
