

Dear parents and carers,

We will be resuming pupil testing on Monday period 1. If you are not able to test at home please return your LFTs to your class teacher. If you haven't given consent to test please consider doing this. The more of us who test, the safer our school community is. If you have any questions or concerns about testing please speak to Nick Clark. We will test every week in school until further notice.

Congratulations go to Corinne Stephens and to Stephanie Dannet who have been elected as parent Governors. Thanks go to all parents who offered to serve as Governors.

The parent group met this week via zoom. There was a good turn out. Class reps will pass on feedback to all parents.

The weather is very cold at present, please make sure your son/daughter has a warm coat, a hat, scarf and gloves. We try to get out in the fresh air at break and lunch time and we don't want to spread colds around the school. Thank you for your support.

Stay safe,

Eileen
