

Dear parents and carers,

We had a great day on Wednesday which was our business links day. This year we stayed onsite and took part in a Dragons Den activity. Congratulations go to 7J, 10C and 13S all of whom will have their products made to sell by our enterprise classes. Everyone did well and our three external judges found it very difficult to choose a winner in each key stage.

It's been a great start to friendship fortnight! Our friendship buddies have been available in the playground. Friendship post is delivered every day and today we're having a friendship afternoon tea! There are more activities planned next week.

Kevin is at home and his surgery has gone well. He sends his best to everyone.

Please do your best to join the online safety training on Monday 11am. The zoom link has been sent to you by text. This is an issue of concern for many families and Sophie Linnington of parent zone has a wealth of advice to offer.

A reminder that we break up for half term next Friday 11th February.

Stay safe

Eileen

Business Links Day 2022

This year, we held a virtual *Dragons Den* style event, where the young people designed products linked to our School Values—we are Fair, Equal, Kind & treat each other as we want to be treated. Take a look at some of their brilliant ideas below!
