

Dear parents and carers,

It was good to see a number of you at the parent online safety training on Monday. Thanks go to Sophie from parent zone who led a very informative training session. Links from the training have been sent to all families.

Today we celebrated the end of friendship fortnight with our zoom disco. Pupils had a great time! Earlier in the week each classes had breakfast together. This is something we do every half term. PC Trevor joined us for lunch on Tuesday and will be resuming regular visits after half term. Our younger pupils were very excited to meet him and to ask him questions about his job. Yesterday Blue Apple film company spent the day with us. They are making a short promotional film for the school to support us in applying for funding bids. We will share the completed film on our website in due course.

A reminder that world book day is coming up soon after half term on **Thursday March 3<sup>rd</sup>**. Please do start thinking about costumes! If any parent has costumes they no longer use and would like to donate please drop them into school – thank you for your support.

We break up for half term today. A reminder that we return to school on Monday 21<sup>st</sup> February at the normal time. We will continue to test pupils every Monday morning next half term. Have a good week and stay safe.

Eileen

## Pupils of the Week

7J	Aaron—For increased focus and work in all lessons.

## Friendship Fortnight!

Friendship Fortnight is always such a big part of our School Calendar: We have our playground Friendship Buddies, the Friendship Post, afternoon tea and, of course, the disco!
