

Dear parents and carers,

We're looking forward to world book day on Thursday! It's going to be a wonderful day with lots of time to read, theatre and dance companies onsite and our world book day special assembly and prizes! Thank you in advance for your support.

We had eighteen pupils attend our holiday programme last Monday and Tuesday. Thanks go to volunteers from Nat West bank who supported the programme. Sam Croyle, our new Deputy, joined the holiday programme. We're looking forward to Sam starting with us after Easter. He'll introduce himself in next week's newsletter. This week 7R had a circus skills workshop on Wednesday which everyone enjoyed. Our parent group met on Monday, it was good to catch up and to discuss plans for next term.

The weather has been changeable but fortunately we haven't had any damage to our school building. Please ensure your son/ daughter has a warm coat, hat and scarf. We try to get outside at break and lunchtime as much as possible.

We are continuing to lateral flow test every Monday morning. If pupils do not participate onsite, Government guidance for pupils in SEN schools continues to be to test twice weekly. Young people are encouraged to continue to wear masks in communal areas here and on school/ public transport. Please support us in keeping our school family safe.

Highshore Holiday Programme!

The young people had a lot of fun at last week's holiday programme! A huge thanks to all our volunteers!

Attendance to Date

Total School attendance since September is 89.5% which is below the target of 95%.

This is mainly due to Covid restrictions and self isolation periods. Guidance in school is for self isolation periods to continue even though legal restrictions are over.
