

Dear parents and carers,

The sunshine has been enjoyed by everyone this week! The parent group met on Monday. Sam Croyle, our new Deputy Head, joined the group on zoom. Sam was onsite on Monday and Thursday. He received a very warm welcome from our former Parryhouse pupils and from those pupils who were part of the holiday programme. Sam is looking forward to starting with us after Easter.

On Red Nose day we held a competition and asked classes to build the biggest red nose. Congratulations to 11A who are our winners! 14L pupils held a collection and funds have been sent to Comic Relief.

Today Upfront theatre company are onsite. They will visit again after Easter.

COVID cases have risen onsite this week. We continue to wear masks in communal areas and are considering contingency measures.

School closes to pupils on Thursday 31st March. Pupils will leave from 1-30. Pupils return on Wednesday 20th April. We hope for good weather during the holidays! FSM families will receive vouchers over the holidays.

Stay safe,

Eileen
