

Dear parents and carers,

There was a serious incident outside of school yesterday afternoon which some parents who collect are aware of. No Highshore pupils were involved. It happened just as we were seeing the pupils out at the end of the day. Paramedics and police attended the incident and Farmers Road was closed to traffic for some time. Thank you to everyone for your understanding.

We hope that you all had a good day on the bank holiday and that families enjoyed Eid! On our INSET day on Tuesday colleagues completed safeguarding training and spent the afternoon working on pupil progress and planning our London day.

There are no pupil of the week certificates this week due to it being a short week in school.

We know that there was again disruption to school buses this week. We're doing our best to support you and to make our representations to transport. Please let us know what else we can do to support you.

14J's residential to Marchants Hill, Surrey went very well. We hope you enjoy their photos included in the newsletter. Next week 14L and leavers are going to PFGL on the Isle of Wight. Thanks go to all colleagues who are accompanying our young people.

An update about Kevin: he was due to have surgery last week but it was cancelled on the day. He now has a new date towards the end of May. He sends his best to everyone.

Eileen

## Dulwich Festival 13th - 22nd May 2022

# Residential Photos

14J went on their Sixth form residential last week to Marchant's Hill. They had a great time!
