

Dear parents and carers,

It was great to see our young people return on Monday. We hope you all enjoyed the Jubilee bank holidays! Our jubilee afternoon tea was a great success. It was so good to be together as a school community again for the first time since COVID. This is always a busy half term. Our culture day is due to take place on Thursday 23rd June. At present we're planning to go ahead with the day. We're concerned about the number of train and tube strikes that week which will affect colleagues. The roads are also likely to be busier which may affect school transport. We will keep you updated.

Year 6 club started on Monday. This runs for the summer term and enables our new pupils to become familiar with each other, the school and their class teacher. After school clubs started again on Monday. We will review our offer for September and hope to increase clubs available. On Thursday London Children's Ballet visited us after an absence of two years. Some classes enjoyed a performance of "A little princess".

This is the last half term for our twenty two leavers. I've written to parents of leavers with key dates this week. Transition visits have started for some pupils.

Following a meeting of the COVID group this week, we've removed the requirement for colleagues to wear masks in public areas though they may continue to do so if they wish. We continue to meet regarding COVID and will look again at this decision at the start of the Autumn term.

Eileen

Pupils from 12K worked in collaboration with Artist Joel Grey to produce research and designs for the colourful new mural in Wyndham Rd.

Funded by Kapoor Studio & the Camberwell Society

Supported by Camberwell Arts & SE5 Forum

14L	Joshua—For coping well in a difficult and challenging week

Star of the Week

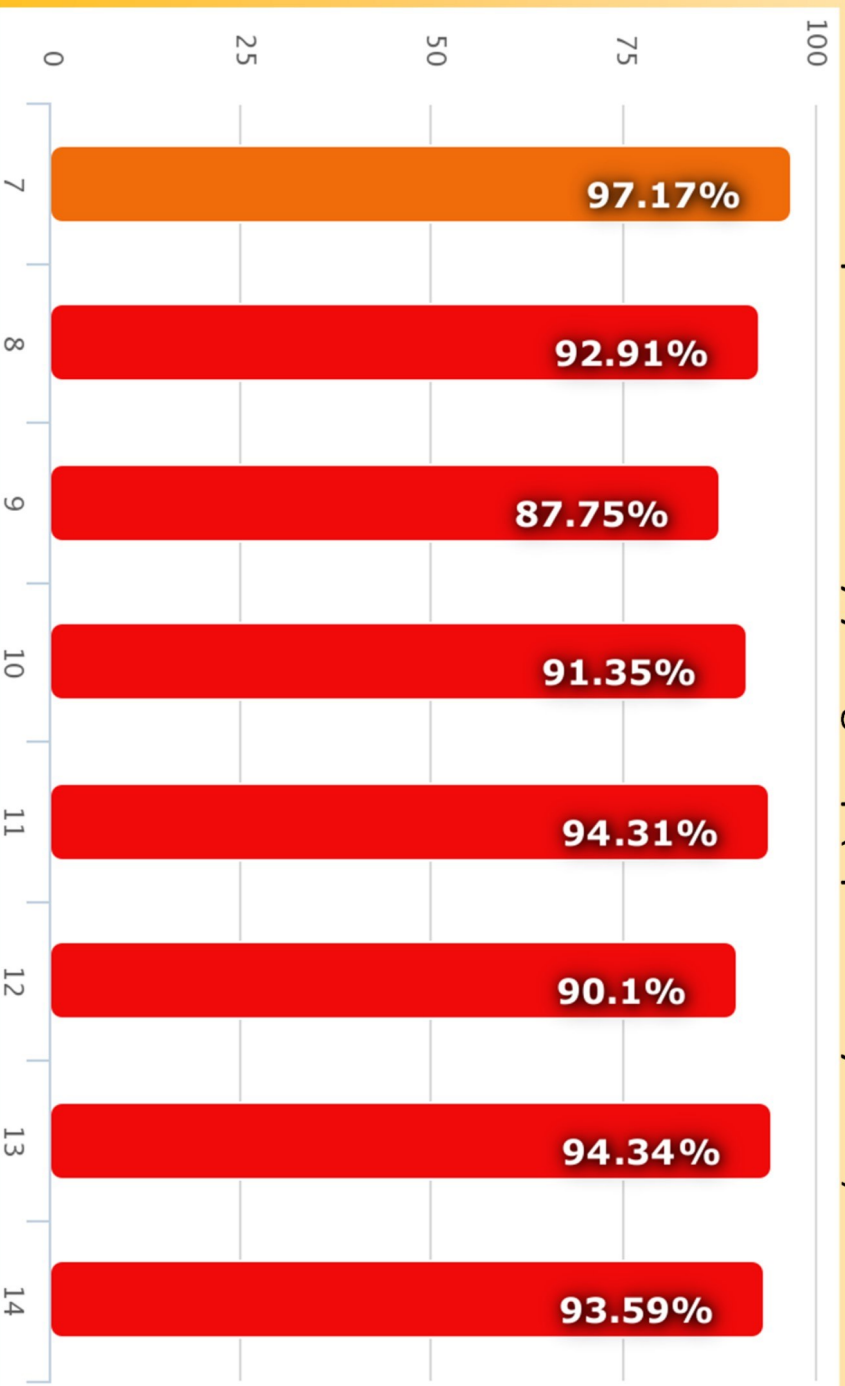

Abdul—For being kind & supportive and doing so well in his work experience.

Pupil Attendance

Pupil attendance has improved this term so far. We have had some excellent attendance in year 7 who have had 97% attendance.

There has been less self isolation periods following reduction of Covid restrictions. We hope that illness declines as the weather gets better

Pupil Attendance by year group (April—May 2022)

Pupil Attendance 2021/22

Class	Attendance %
7J 2021	92.62
7R 2021	91.5
8A 2021	90.54
8L 2021	88.91
Y9 2021	85.74
9R 2021	92.5
10C 2021	92.91
10L 2021	84.81
11L 2021	89.29
Y11 2021	86.87
11A 2021	95.53
12V 2021	85.44
12K 2021	91.21
13L 2021	92.09
13S 2021	88.38
14L 2021	90.42
14J 2021	94.43
Whole School	90.0
