

Dear parents and carers,

Reports will go out in pupil bags on Tuesday. Any absent pupils will have reports posted home that day. Form tutors will call you next week about next years class groups. We've tried to keep things as stable as possible.

Exams have been taking place this week. Well done to all pupils taking part. Next week is the last week of school for our leavers. Twenty two pupils are leaving us this summer. Parents of leavers have been invited to special assemblies next week and to our leavers prom on Friday 15th July. The prom is organised by our parent group and is open to leavers and their families only this year due to COVID risks. We've had five new COVID cases this week.

Next week is also the last week for Year 6 club. It's been a great opportunity for our new pupils to get to know each other. We look forward to seeing them all again in September.

You may have heard that Kevin paid us a visit on Friday afternoon! He looks so well and was able to catch up with our young people who were so happy to see him and with a number of parents who were collecting at the end of the day. He has finished all treatment and is looking forward to starting his retirement properly! He sends his best to all families.

I've had a number of parents checking the end of term date. We break up on Friday 22nd July. Pupils leave from 1-30pm. We'll send out dates for next year before the end of term.

Have a good weekend,

Eileen
