

Weekly Newsletter

Dear parents and carers,

It's always bittersweet when we say goodbye to our leavers. We are proud of the confident young people they've become but will miss them here at Highshore. The class of 22 has much to be proud of! Their education has been disrupted by COVID for over two years but they have come through that and have so many achievements including work experience, exam results, independent travel and life long friendships. Thank you to the families of all our leavers – it truly has been a partnership working with you. Our assemblies this week were truly memorable occasions. We're looking forward to our prom this evening!

The heat has been challenging this week and will remain so over the weekend. We are due a heatwave on Monday and Tuesday with temperatures rising to possibly 36 degrees. We are implementing the Southwark emergency heatwave plan and will not be allowing pupils outside in these temperatures. Please ensure your son / daughter is wearing shorts and a tee shirt if possible and has a bottle of water.

Reports were sent home on Tuesday and teachers called parents on Wednesday. My end of term letter will go out next week. We are saying goodbye to a number of colleagues at the end of term and thank them for all they've done for our school, details are in my letter. We plan to re start breakfast club in September and to open up our afterschool clubs offer. We plan to hold parents evenings onsite next half term. May I make a final plea to return our parent surveys by next Friday! We really do appreciate and act on your feedback.

School closes on Friday 22nd July. Pupils will leave from 1-30pm.

Stay safe this weekend

Eileen

Pupils of the Week

7J	Ayaan — For his dedication and enthusiasm for his gym sessions with Raph
7R	Marvin— For being mindful of other students in the class
