

Dear parents and carers,

Our Year 7 parents evening on Monday was very well attended. It's great to have more events back on site. Parents were able to see their child's classroom and meet their class teacher face to face. Our Year 11 parents evening will take place on Monday 17th October. This will include a presentation about our sixth form offer.

Our parent group is meeting onsite on Monday 10th October. Please contact Don Burford through the parent group email address if you'd like more information; info.hpgroup@aol.com. This will be the group's first onsite meeting since before COVID. We're looking forward to seeing everyone!

Our learning offsite was disrupted this week by the college lecturer's strike. Otherwise our college link at Lewisham has made a positive start. Two sixth form groups attend Roots and Shoots. P.E. offsite has recommenced. We're also using our fitness suite onsite. After school clubs are proving to be very popular. The school council is meeting on Tuesday 11th October.

We're still missing a number of signed home/school agreements. Please will you check and return them to us as soon as possible. Thank you for your support.

The half term is going quickly! We break up on Friday 21st October.

Have a good weekend,

Eileen

# Our learning offsite.

It's been great to get back to learning in new environments!  
At Roots and Shoots, College and the Gym, we've only just started and have already learned so much.
