

Dear parents and carers,

We held our Year 11 parents evening on Monday. It was good to welcome more of you on site. Some parents we hadn't seen since before COVID and it was lovely to catch up in person. We plan to hold two more parents evenings next half term.

Breakfast club and after school clubs are thriving. Please support us by letting us know any clubs changes in good time. We regularly review our clubs offer and ask the views of our young people. Cycling club is proving very popular. We have a small number of pupils who cycle to school independently or with their families.

Please do check our website regularly. Curriculum overviews are posted for each class to enable you to support your child's education. We want our website to be useful and enriching to you. If you have any suggestions or feedback please contact Dom Fryer.

Congratulations go to 11C! Their attendance this half term is 97.31%. They win the attendance prize this half term. We aim to work with families to improve pupil attendance and we'll be writing more about this after half term.

We break up today for half term. Pupils return on Monday 31st October at the usual time.

Thank you for your support. Have a good break,

Eileen

## After School Clubs

We were delighted to offer a wider range of after school clubs to our students this term.

It has been great to see the students participating in a range of extra curriculum activities!

If you would like your child to have a place in a club next term please contact the office.

Clubs will resume first week back after half term—Sarah Di Campo, Assistant Headteacher
