

Dear parents and carers,

Lots has been happening this week: On Monday we held our Year 10 parents evening onsite. On Tuesday we had our health and safety audit which took the whole day. On Wednesday thirteen parents of pupils in years 13 & 14 attended a transitions workshop which was run by SIAS. The school council met on Thursday and are looking at suggestions to improve the playground. We will be organising further parent workshops throughout the school year. Do let us know topics of particular interest to you. Today we've had Governors visiting the school.

Our parent group is meeting onsite on Monday from 10-45 am. Please contact Don Burford on info.hpgroup@aol.com if you'd like more information.

Today we are saying goodbye to Horace Walters who has worked here for over six years as a Teaching Assistant. Horace has worked across a number of classes and is well known to many of you. He will be missed here. Thanks go to Horace for everything he's done to support our young people.

Can we ask all parents to make sure your son/ daughter brings a coat to school. The weather is much colder and we do our best to get outside when possible.

Have a good weekend,

Eileen

Pupil Survey Feedback

Pupil Questionnaire results, 2022

It is clear that the majority of the responses were positive with pupils agreeing with the statements (green).

The statements that the most pupils agreed with are:

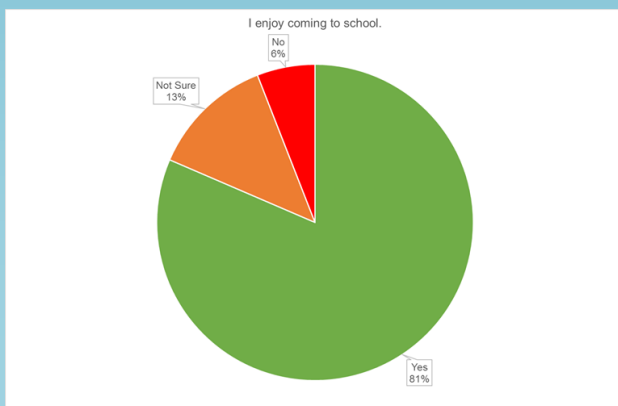

I have friends in school (94%)

School helps me learn to be a good person (92% agree)

I feel happy when I do good work (91%)

I like activity days (90%)

I get praise and certificates for good work (90%)

It is clear that most pupils enjoy coming to School!

We're working with our School council to make School even better for everyone!

Thank you for filling out our pupil survey.
