

Dear parents and carers,

I'm writing the newsletter from Kingswood where I'm on residential with 14R. We're all having a great time despite the patchy weather! We've taken part in a range of activities including giant Lego, bingo and archery! Our pupils are wonderful ambassadors for Highshore and we've spent some time with pupils from another SEN school who have been very friendly towards us. We return to school Friday evening.

Next week Ali and Steph are taking 14S and a mixed sixth form group to the Isle of Wight for the whole week. Our residentials are an important part of our programme and we're grateful to colleagues who give up their time to accompany our young people.

We held our coronation tea parties in classrooms last week due to the weather. While it was disappointing that we couldn't all be together in the playground pupils had a lovely time.

Have a good weekend,

Eileen
