

Dear parents and carers,

Our leavers in 14S and a small group of sixth formers are spending this week at PGL on the Isle of Wight. They are due back to school this afternoon. Thanks go to Ali, Steph, Jake and Angela who are accompanying the pupils. We're looking forward to seeing their photos next week! I had a great time with 14R last week. You can see from our photos how much the young people enjoyed themselves!

We're looking forward to London day on Tuesday. This is an own clothes day. Almost all pupils will be offsite for the day. Our theme this year is food in London. There will be no after school clubs on Tuesday evening.

On Thursday a small group of young people attended a CENMAC, communication works event at Charlton Park School. Our pupils were great ambassadors for Highshore. Thanks go to Tony Caldwell our Senior SaLT for supporting our pupils so that they could get the most out of the day.

Our year 6 visits continue next week. Amy Belcher will be off timetable visiting September's 7A pupils in their primary schools. Year 6 club starts after half term.

We break up next Friday for half term. School finishes at the usual time.

Have a good weekend

Eileen

14R	Bukunmi — For mature behaviour and a positive attitude to work

Star of the Week

★ Max 11C — ★
For going on independent work experience

Kingswood Residential!

14R Students thoroughly enjoyed their residential trip to Kingswood Activity Centre in Kent!

For some of our students it was a new experience to stay overnight away from families, however they all coped extremely well with the change.

Some of the activities that our students took part in included: Crate stacking, Lego construction and a class disco. Students also had the opportunity to develop their social skills by interacting with other schools that joined them on their trip.
