

Dear parents and carers,

Our sports day today was enjoyed by everyone! Huge thanks go to all colleagues for their hard work in making it such a positive day. Pupils as always took part with enthusiasm in all the activities. Our drummers were excellent. Thanks too to Greenhouse for their volunteers who again supported our day.

14S had a very interesting day at Brands4Life on Monday accompanied by Kathy and Gemma. This was a part of their Headstart programme. Managers told them about their work and what qualities they look for in a job interviewee. They took part in workshops and interviews and got a chance to ask questions about getting into work.

Maths exams have been underway this week. Our young people are working very hard and we're really proud of their efforts. Thanks go to Steph for her ambition and commitment to our pupils achieving their best.

Please do return your parent survey as soon as possible if you haven't already done so. Pupil surveys will be completed next week. We do take feedback seriously and always want to make things even better at Highshore!

Have a good weekend and enjoy the sunshine while it lasts!

Eileen

Pupils of the Week
