

Dear parents and carers,

We had a wonderful sports day last Friday. We hope you enjoy the photos overleaf. We're now looking forward to STEM day next Thursday! Yesterday our leavers had their last day at College. Plans are well underway for our leavers prom on 7th July, Yesterday pupils enjoyed the visit from London Children's ballet, Dancers performed "Anne of Green Gables". The performers spoke with our pupils afterwards and shared props and costumes with them.

Please, another reminder to return your parent survey! Letters for our key stage 3 parents evening on Tuesday 4th July went out this week.

Below is a message from Evelina, our incoming Headteacher in September. I know that she is looking forward to joining the Highshore family and will bring a wealth of experience to our school.

It will be my last meeting with the full Governing body next week. I want to take this opportunity to thank all Governors I've worked with over the past thirteen years. Governors give an immense amount of time to our school which is often not seen by the wider school family. Thank you to all of you.

Next week you'll receive an invitation to my leaving event on 14th July. I do hope to see you there. Kevin is planning to be with us.

Have a lovely weekend,

Eileen

I am thrilled to extend a warm and heartfelt welcome to each and every one of you as the newly appointed Headteacher of Highshore from September. It is an immense honour to join this incredible community and to have the opportunity to lead such a remarkable institution dedicated to the growth and well-being of our extraordinary students.

First and foremost, I want to express my utmost admiration and appreciation for the exceptional work led by Eileen and carried out by the dedicated staff, supportive parents, and enthusiastic students who make this school a beacon of inclusivity and learning. Your unwavering commitment to fostering a nurturing environment where every child can flourish is truly inspiring.

This is my second headship; I have over fifteen years of experience as a senior leader in special and mainstream schools around London. I have a passion for learning new things, growing and improving.

I am eagerly looking forward to meeting each and every one of you, learning your stories and being a part of the incredible achievements that lie ahead.

- Evelina -
