

Dear parents and carers,

STEM day yesterday was a huge success! Pupils took part in the recycling workshop, made eco fish and were very brave touching a variety of reptiles! The performances of "under the sea" by Umbrella theatre company was enjoyed by everyone! On the top floor Kathy and Gemma ran a bubble activity and our Enterprise team offered free drinks to our visitors! Most classes stayed onsite but two went offsite to the Science Museum and to fly kites on Blackheath! We hope you enjoy the photos overleaf!

Our year 6 parents evening took place on Wednesday. It was good to welcome Evelina, our incoming Headteacher, to the meeting. Evelina is also onsite today meeting pupils and colleagues.

Our parent group is meeting onsite on Monday at 10am. The meeting is concentrating on final planning for our leavers prom on Friday 7th July. We're welcoming back the class of 2020 in addition to our leavers this year.

It's key stage 3 parents evening on Tuesday. Please contact the admin team if you're unsure of your appointment time. Please also return your parent surveys to us!

I do hope as many of you as possible will be able to join me at my leaving event on Friday 14th July. It's going to be very family friendly and a lot of fun! Please see the invitation attached to the newsletter and reply to Dom Fryer either by email or by letting the school office know you'll be there.

Time is flying by and I'm doing my best to enjoy every moment with our wonderful young people!

Have a good weekend,

Eileen

## Pupils of the Week

7G	Connor — For his positive role as Class Leader
7J	Desire — For bravely touching every animal during the STEM day animal encounter
7L	Racim — For great participation in our sensory
