

Dear parents and carers,

Today is our leaver's prom. It's always a wonderful occasion and this evening we're welcoming back the leavers of 2020 who didn't have a prom due to COVID restrictions. We're really excited to see them! Huge thanks go to the parent group for all their work to make this such a memorable occasion.

Members of the NEU teacher union took action on Wednesday and again today. We were able to keep the school fully open on both days.

14S enjoyed their Jack Petchey trip to Greenwich this week. Thanks go to Steph and the team who accompanied them. Pupils enjoyed eating some great food and looking at the historic part of London. Following our STEM day last week, we awarded a number of prizes in assembly for drawings, photos and writing about the day. Well done to all prize winner's!

We're delighted to share that Harry Frost Fyfe, a member of our Admin team & IT support team has been awarded the Jack Petchey Leader's award. Well done Harry!

I hope to see you at my leaving event next Friday – please do let Dom Fryer know if you are able to make it. You can email him at [dfryer@highshore.southwark.sch.uk](mailto:dfryer@highshore.southwark.sch.uk). I'm hoping the evening will be a real celebration of what makes Highshore so special and an opportunity to say thank you to you all for your support over the past 13 years.

Have a good weekend,

Eileen

## Pupils of the Week

7G	Ruby — For using the underground for the first time on a school trip
7J	Mohamed — For independent building in Lego

14S	Amimul — For hard work in his exams

Treasure 7J

For going to every event during STEM day even though he was scared

# Year 6 Club

It has been really fantastic getting to know the Year 6s in their club. As you can see they have had so much fun and are a lovely group of students. We look forward to seeing them all in September!

Amy + Rosie—Y7 Tutors.
