

Dear Parents and Carers,

Having survived the heat of last week, we successfully transitioned into the second week of this academic year. The pupils continue to be settled and engage in high quality learning across the school. Our newcomers appear to be very comfortable in their new environments and growing in confidence every day.

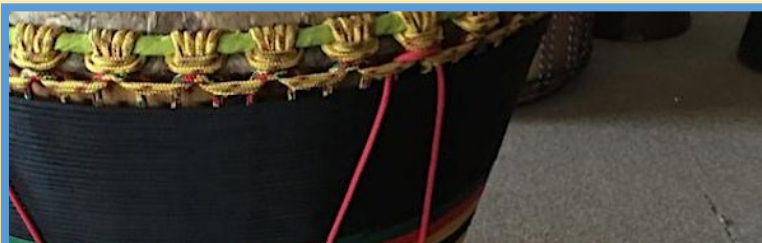

Learning and engaging with the community is part of our curriculum. This week the pupils have started going out on trips like swimming, Roots & Shoots, college or a trip around at the local park. Our improved risk assessment processes mean the trips are even safer. As a team, we have started discussing what more we can be offering to our pupils at all stages—to make the curriculum even broader and bring fun to learning. We welcome any ideas and suggestions.

We also have some exciting news to share about one of our pupils. Congratulations to Harry in Year 14, who recently had a successful audition for the National Youth Theatre's Drama Club programme – he'll be working with NYT until December. Well done Harry!

Please remember you can talk to us any time. The home plays a significant role in preparing children for their reading for learning, and collaboration is therefore key. The dedicated mailbox for queries is familysupport@highshore.southwark.sch.uk. I also wish to inform you that we are advertising for a new Family Support Worker and welcome applications. Please visit the 'Vacancies' section in our website for more information.

I wish you all a lovely weekend,

Evelina

FREE SEND Children's African Drumming, music and dance.

Sat 30th Sept, 1:30-2:45pm,

Theatre Peckham, 221 Havil St, SE5 7SB
