

Dear Highshore families,

Time is just flying by this Autumn term – hard to believe it will be Week 5 next week! I am pleased to share that not only has our lift now been fixed (thank you to all families and staff for your patience) but also that after school clubs will be starting up again next week. Ali, our Assistant Headteacher, will be leading on clubs – please contact him for any queries about clubs. We still have spaces for pupils to join Fencing club on Wednesday and Drumming on Thursday. If you would like to book a place, please let us know as soon as possible!

I am as always excited to share some of the learning that has been going on in and out of Highshore this week. We have had 10-O head out in the local community to learn about the area and road safety, our CENMAC liaison James has been in this week to support classes in Year 8 and 11 with the use of the Clicker app to support their writing and today all classes voted for their school council representative.

We continue to push reading throughout the school. As pupils are bringing books home from school please take the time to read with them every day. Reading is a vital part of our school aims, it supports communication, independence and self-help and is truly a gateway to not just the outside world but also unlocking your imagination and discovering life long interests.

We have an open-door policy, and your feedback is essential. If you have any questions, concerns, or suggestions, please feel free to reach out to us via familysupport@highshore.southwark.sch.uk.

Have a great weekend,

Sam

Stars of the Week

KS3/4— Rafael (8R)

For an enthusiastic attitude to his learning

KS5— Harry (14L)

For independently seeking out learning opportunities towards his accreditation

Lewisham College

This year, many of our pupils will enjoy a links course with Lewisham College! Here are 14K trying their hands at catering!

If you'd like information on visiting Lewisham College, please contact dfryer@highshore.southwark.sch.uk.
