

Dear Parents and Carers,

I have been off site for a week and I must say I have never missed coming back to work more than I do now! Welcoming pupils in the morning is one of my favourite parts of the day. Fridays are very special as we come together during assembly time to reflect on the activities of the week and celebrate the students' achievements.

We were very excited to see students participating in clubs starting this week and enjoying the activities offered. There are very few places still available. First come, first served! We will be looking to expand our after school clubs offer in future. Big thanks to Ali, our assistant head for organising and overseeing the process and all the staff who very enthusiastically facilitated the activities.

This week we also started interviewing for a Family Support Worker and we will be hoping to complete the process and appoint by next week. This is a very important role and we want to make sure the right person is appointed.

We would love to hear your feedback about reading and engaging with books at home. Please look out for details about our parents book event in the coming weeks.

As always, please do get in touch with us to share any thoughts, news, suggestions or concerns via familysupport@highshore.southwark.sch.uk.

Have a lovely - and summery, by the looks of it - weekend.

Thank you,

Evelina
