

Dear Highshore Families & Friends,

This week, rehearsals for the Seasonal shows have been progressing ready for our performances next Monday, Wednesday and Thursday. Students and staff have been working hard on them in a relatively short amount of time and can't wait show them. It is great that this year we will be having the shows with an audience in the hall for the first time in 3 years. There will be a mixture live and pre-recorded performances.

A huge amount admiration and respect has to be given to the music department; aka Lee and Leandro. At this time of year they really are our unsung heroes. Throughout the year they provide high quality music sessions, as was commented on glowingly by Emily— our Chair of Governors who recently had the pleasure to observe a music lesson. They also offer individual music interventions for students who want to learn to play an instrument as well as contributing musical content weekly for our assemblies which showcase the amazing musical talent some of our students possess.

Every year at this time they are doubly busy, stepping up to organise music for classes to perform for the Seasonal shows, as well as preparing for our Carol concert. They are a talented, industrious and well loved department.

We hope families and friends are able to join us over the next few weeks to enjoy this time of year with the students and staff at Highshore.

Finally, Evelina wanted to thank current and former members of the Parent Group for coming to meet with her this week. She is grateful for your support to the school, the events you help organise and, importantly, your willingness to share your children's journeys about life after Highshore and the wisdom that comes with it.

Have a great weekend,

Jeff Daniel

9J Form Teacher and Drama Teacher

Pupils of the Week

7A	Guleed — For great identifying of shapes this week
7R	Diego — For making a big effort with his Maths work
8R	Ruby — For excellent progression in volleyball
