

Dear Highshore Families & Friends,

It's been such a massive pleasure to see so many of you on site this week, watching the young people in their Winter shows. It has been a long time since we've been able to host families in School. It is difficult to feel anything but pride and optimism when observing the work the young people have produced for you, and a huge amount of thanks goes to not only our pupils, but also our staff members and you at home for making this week possible. Particular credit should go to Lee, Leandro, Jeff and Ali for putting so much time into the shows, and Kathy, Gemma, Clare & the whole enterprise team for the hours spent on their shop.

It's been lovely to welcome friends and family to our annual Christmas Shop again; both for the adults to see all the creative things their young people have produced and for the pupils to experience every part of their Enterprise Projects, from planning and making, to setting up a shop and selling. This year has been extra special, as for the first time we have had Year 7s not only making items for sale but serving in the shop. Families commented on how polite and professional the young people were. Thank to all our visitors not only for your custom but all the kind things you have said and the enthusiasm you have shown about our wares!

Today it was fantastic to see so many amazing Christmas Jumpers on display—it is always an event in our calendar that we all look forward to.

Next week, the staff and pupils will enjoy our yearly Christmas lunch together, and the following week we have our Carol concert for pupils, so there is still plenty to look forward to.

Thank you once again for your support this week and have a lovely weekend,

Dom Fryer  
Business & Communications Liaison Officer

We asked our pupils to design a Christmas Card! Some of the designs were chosen to be printed and sent out to friends of Highshore—Have a look at the designs below!
