

Hello Parents, Carers and Friends of Highshore.

Welcome to the first edition of our new, digital, newsletter! This week was the start of Safer Internet Fortnight at Highshore! Students have been learning about how to keep themselves safe online and have produced some great work already. We look forward to continuing this work next week.

On Monday morning, we will be holding a Preparation for Adulthood meeting for Parents and Carers, from 9:30. Richard, the Head of Sixth Form and I, the new Careers Lead will be on hand to answer any questions you have about your child's future. Please see the third page of this newsletter for further details, and if you have any questions please contact the School office.

Finally, please also lookout out for the Parent Comms email, which will provide you with a summary of what students have been getting up to this week in school.

Hope you have a lovely weekend!

Ali

## Introducing...

Hello Highshore Community, my name is Rachel D and I am the form tutor for 8R. I also teach a number of other classes throughout the school. I like bringing mindfulness, movement and imagination into our learning.

I am from South Africa and I love travelling, meeting new people and learning new things. Come and teach me something interesting next time you see me!
