

Dear Highshore Families,

As we approach the Easter holidays, I wanted to take a moment to extend warm wishes to you and your families. It has been a pleasure to witness the hard work and dedication of our students throughout this term, and I hope they are looking forward to a well deserved break.

This term we focused on preparing to and engaging with the community. It is important for us that our young people are provided with opportunities to consolidate their skills, and learn about how to purposefully engage with their local communities.

I am very pleased to hear that you have found the weekly learning information useful. I welcome any feedback from you as we strive to serve the families the best way we can. Apart from the events listed below, the SALT team will be hosting drop in sessions for parents. More information will follow. We will also look at our systems to ensure reminders of important events are sent out so you are better able to fit the sessions into your busy schedules.

I also wanted to share that we are ending the term on a really positive note. Our school counsellor has made a dynamic start and we will be looking to have her on site for an additional day after Easter, to be able to provide that type of support to more young people. Last week during INSET day an organisation called *Proactive Approach* delivered training to all staff on adopting a trauma informed approach when working with young people and responding to their emotional needs. It was a fantastic session and more will follow. We will be organising a session for parents as well sometime in the summer term as we work together to become a trauma informed school.

If you have any questions or concerns during the Easter break, please don't hesitate to reach out to us on 0207 708 6790, 07507803413 or by emailing [familysupport@highshore.southwark.sch.uk](mailto:familysupport@highshore.southwark.sch.uk).

Thank you for your continued support and partnership in your child's education. Wishing you all a peaceful and joyous Easter holiday.

Have a lovely break,

Evelina
